

ANYBRAND
COSMETIC

LET'S CREATE A BRAND TOGETHER THAT FITS YOUR
IMAGE

A woman with long dark hair, wearing a red one-piece swimsuit, is relaxing in a white bathtub. She has her eyes closed and her head tilted back, enjoying the water. The bathtub is set in a modern bathroom with a large window in the background showing a view of a city. The water is running from the faucet, and there are some red petals floating in the water.

DE PRIVILEGE BRAND, A TURNKEY SOLUTION

Are you looking to launch a personalized hair care line but unsure of how to begin ? **Anybrand Cosmetic provides the perfect solution with the Privilege brand.** This ready-to-use brand enables you to bring your vision to life quickly and easily, while also offering customization options.

What does this mean in practical terms? Our product formulas have been meticulously developed and manufactured. As a result, the products are ready to use and simply require bottling.

Your task is simply to choose the packaging and the desired quantity, and your assortment will be delivered to you within 5 weeks.

With our Privilege brand, you benefit from a **simplified and efficient process** to create your own body care line, without having to worry about product formulation. This allows you to focus on personalizing the packaging and tailoring the products to your brand image.

By choosing Anybrand Cosmetic, you can **easily bring your project to life** and benefit from a selection of premium products that accurately represent your identity and fulfill your customers' expectations.

THE ADVANTAGES OF THE PRIVILEGE BRAND

UNFORGETTABLE CARE THAT REFLECTS YOUR IDENTITY

A unique sensory experience and an enhanced brand image

By creating a body care line that aligns with your business, you have the opportunity to enhance your **brand image** and **provide a unique sensory** experience for your customers.

Our high-quality, skin- and hair-friendly care products, developed in harmony with nature, perfectly reflect the values and atmosphere of your business, adding authenticity to your guests' experience and strengthening the trust they have in your hotel.

Furthermore, captivating aromas, a pleasing texture, and attractive packaging come together to create a **memorable and immersive sensory experience**. This attention to detail will make your body care brand unforgettable and indispensable for your customers, fostering their loyalty.

Enhanced customer experience: the key to maximizing your revenue

By offering your customers the opportunity to purchase your line of care products, you create an **extended and stunning experience**. Customers will appreciate being able to take a reminder of their stay with them, enhancing their travel experience, while being assured that they are choosing quality products they have already tried.

Not only will these sales strengthen customer loyalty, but they will also supplement your existing revenue. By selling your personalized care line, you create a **new source of income for your hotel**, contributing to increased profit margins and bolstering your profitability.

THE ADVANTAGES OF THE PRIVILEGE BRAND

THE PRODUCTS

EXPERTISE AND SKILL

With 25 years of expertise in hair cosmetics, Anybrand Cosmetic positions itself as a true specialist. Our team of dedicated professionals carefully designs each product, from concept to execution. This ensures impeccable quality.

NATURAL AND ORGANIC

The Privilege line consists exclusively of ingredients of natural origin, with a percentage of 90% to 100%. Whenever possible, the ingredients are sourced from organic farming, ensuring an environmentally friendly approach.

ECOLOGICAL COMMITMENT

Every product in our line is designed with respect for the environment. Additionally, we are committed to a sustainable approach in our production process by utilizing renewable energy sources, implementing a zero waste policy, and more.

HEALTHY AND SAFE PRODUCTS

Due to their healthy formulation, certified by Ecogarantie, our products can be safely and reliably used by everyone. Free from aggressive chemical components, they consist of mild natural ingredients that pose no health risks.

THE BENEFITS OF THE PRIVILEGE BRAND

THE PRODUCTION PROCESSES

ECOGARANTIE, NATURALLY AN INVOLVED LABEL

Anybrand Cosmetic heeft de ethische keuze gemaakt om zijn biologische producten te laten certificeren door Ecogarantie, het ecologische label dat wordt erkend als een van de strengste in de Europese Unie. Dit kwaliteitslabel waarborgt het respect voor het milieu en de veiligheid van producenten, consumenten en dieren.

Anybrand Cosmetic and Ecogarantie: a common vision

Ecogarantie is clearly the **strictest ecological label on the European market** today, demonstrating its genuine **commitment to the environment**. Like Anybrand Cosmetic, Ecogarantie believes there is still time to take action for the protection of our planet and strives to offer products that **respect the environment**.

The Ecogarantie label is awarded to products that meet **strict ecological criteria**. To ensure the impartiality and neutrality of the certification, independent audit bodies are responsible for verifying compliance with these demanding standards. This allows the organization to guarantee total **transparency and impeccable quality** to its members and their customers.

Les valeurs et engagements d'Ecogarantie

100% organic

All plant-based ingredients are sourced from organic farming.

100% Neutral

Three independent control bodies ensure that members comply with the specifications.

Non-profit

Therefore, it provides an official guarantee and confirms a higher quality to assure the consumer.

Biodegradable

The labeled products are made from biodegradable ingredients to minimize their impact on the environment.

Without petrochemicals

Although a limited list is permitted by the EU, we prohibit the addition of ingredients derived from petrochemicals.

Non-GMO

In Europe, the use of GMOs has not yet been regulated. Therefore, Ecogarantie prohibits their use in its certified products.

By choosing Anybrand Cosmetic to create your Privilege brand, you become a member of Ecogarantie and opt for ecological, sustainable, natural, and socially responsible products.

A woman with dark hair wrapped in a white towel sits on the edge of a white, modern bathtub. She is wearing a white bathrobe and looking thoughtfully out of a large window. The room is bright and airy, with light-colored walls and a wooden floor. A small decorative object is visible on the floor near the tub.

PRODUCTS FROM OUR RANGE

Discover our Privilege care line, carefully designed to meet the **needs of you and your customers**.

We offer you a selection of 6 exceptional products, including 1 shower gel, 2 shampoos, 1 conditioner, 1 hand wash gel, and 1 moisturizing cream for hands and body.

Each product can be ordered **starting from 150 units**, providing **flexibility** that aligns with your business. Additionally, we offer you the opportunity to personalize the label of each product, allowing you to perfectly design it to your brand image.

ANYBRAND COSMETIC, TOMORROW COSMETICS

With a passion for aromatherapy and a commitment to the science of the future, Anybrand Cosmetic and its team offer their technology and expertise to all companies to help them design and develop creative, effective, nature-friendly, and standards-compliant beauty products.

Why choose Anybrand Cosmetic ?

Since the beginning, we have aimed **to act differently and raise awareness of a greener and more sustainable future**. Our company was founded **25 years ago** in the heart of the Belgian countryside, with the idea of always growing and **sharing our experience**. From that day forward, we have tirelessly worked on designing cosmetics that are **respectful of both the environment and our bodies**.

Our commitments

Organic composition

Honorable care of the highest quality with innovative textures that are respectful of the planet and health.

A stylish product.

A stylish packaging that meets your needs for an effective and attractive end product.

Controlled and simplified process

We manage and coordinate the complete process of developing a cosmetic product, from design to delivery, including manufacturing in our laboratory.
